HOTPOINT WEEK begins tomorrow, and it brings SPECIALS in electric household helps that will interest thousands of women.

"Cooking by wire" is no longer in the experimental stage. Electricity is now recognized as the most convenient of all fuels, as well as the cleanest, cheapest, and coolest in operation. Ready instantly, wherever there's an electric lamp socket. Cooks without waste, without soot, or fumes-expense stops the instant operation is finished.

You can get a COMPLETE ELECTRIC COOKING OUTFIT for \$5.85 Hotpoint Week, May 3-8.

After that time the same equipment will cost you \$7.50.

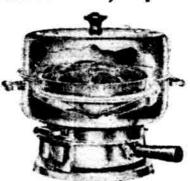

EL GRILSTOVO is a thoroughly practical, everyday electric cooker, made of pressed steel, nickle-plated, handsome enough for service right on the dining table. Cooks two foods AT ONCE! Regularly \$5, but offered at \$3.35 as a Hotpoint Week special. With the wonderful new Hotpoint "OVENETTE" it forms an electric cooking outfit COMPLETE ENOUGH for ALL GENERAL NEEDS. Roasts meats and fowl, bakes pies and biscuits, boils anything, broils steaks, chops, fries breakfast eggs and bacon, etc. The "OVENETTE" is made particularly to fit the El Grilstovo, but any kitchen utensils can be used on the latter.

Take advantage of this Hotpoint Week offer and be prepared to Cook in Comfort when hot weather comes. Interesting demonstrations of the above and other electric home appliances will be made daily during Hotpoint Week. Be sure YOU call.
